WORK EXPERIENCE

Product Design Intern *Global Engagement Team*

August 2025 - Present

- Enhanced the Global Michigan overall website, contributing to content strategy, accessibility, usability testing meetings of 5 or more individuals, and user experience improvement for over 30,000 total academic individuals
- Designed promotional materials and digital content for international education initiatives, utilizing Figma, Canva, and Adobe Illustrator to support student-facing communications with accessibility and responsiveness in mind

Front End Web Developer Intern *Linkage Community*

November 2024 - August 2025

- Redesigned organization's WordPress website and brand identity to enhance user engagement, attract donors, and amplify over 40 member voices through a more accessible and impactful digital presence in the community
- Built over 20 artist webpages utilizing HTML and CSS for formerly incarcerated individuals in order to break stereotypes surrounding their experiences and support them through community building surrounding art

Instructional Assistant *Accessible Web Design*

August 2025 - Present

- Provided instructional support to over 200 graduate students in a fast paced, accessibility focused web development course, offering individualized help for HTML, CSS, and JavaScript concepts to further personal skill development
- Led weekly discussion sections and held regular hour long office hours to clarify technical lecture material, assist with routine debugging, and guided students in applying accessible and responsive design practices configurations

CAMPUS INVOLVEMENT & PROJECTS

Alpha Theta Delta VP External Affairs *Professional Interdisciplinary Design Fraternity*

March 2025 - Present

- Managed an outreach team of 4 others through weekly meetings, ensuring timely project completion and presentation readiness while fostering meaningful engagement with the surrounding community and organizations.
- Developed leadership, communication, and project management skills by supporting cross-functional initiatives and mentoring younger members on external engagement opportunities.

Alpha Theta Delta Recruitment Chair *Professional Interdisciplinary Design Fraternity*

September 2024 - Present

- Led recruitment operations and strategy to over 200 potential new members through the creation of professional and social events dedicated to establishing connection and purpose in order to ensure the organization's viability
- Delivered presentations to over 50 other members through uses of design jams and formal pitches to the greater community surrounding concepts of design software and passion projects in efforts for deep critique experience

Ginsberg Center Student Advisory Board *Member*

May 2024 - Present

- Delegated grant selection and hiring committee events through the Ginsberg Center while upholding guiding inclusive principles with 14 other members to discuss upcoming projects dedicated to positive social change
- Attended monthly meetings dedicated to producing equitable voices through discussion in forms of focus groups that collectively developed communication and community building skills in forms of civic engagement

HONORS & AWARDS

Rhode Island Young Leader Award 2023

- Awarded to a student showing strong dedication to economics and exemplary leadership skills in both social and academic settings with a strong desire to innovate in the world; produce something for the greater good

Bohn Legacy Scholarship 2024

- Rewarded to a student committed to service or social action involved in leadership, service, or activism through the Ginsberg Center and engages in stewardship activities with donors in order to serve as a voice for the student body
